Colours and patterns

100's of colour and pattern choices, a small selection is shown.

What you need to know:

- Sunbrella fabrics – mildew resistant and long lasting
- Style – European design with hundreds of fabric choices
- Durability – heavy-duty aluminum construction and corrosion resistant hardware
- Wind Protection – add a wireless wind sensor to protect your awning
- Solar Sensor – add a sun sensor and have your awning unfurl when it gets to hot
- Mounting Flexibility – roof, soffit or fascia mount options
- Opening Styles – optional remote control electric operators and full automation
- Drop arm awnings are versatile and provide shade, character and privacy
- Warranty – 5/10 Years

With over 25 years of experience installing home exterior products we know a good product from a bad one. We believe in quality and durability and that you always get what you pay for. This is why we offer Heritage Shade and Shutter to you. Choose Modern and choose a quality product that will be installed correctly.
